Description: Jonah's new twin must time travel and face off against his siblings' worst enemy in order to save the future—and his family—in the eighth and final book of the New York Times bestselling The Missing series, which Kirkus Reviews calls “plenty of fun and great for history teachers as well.” After traveling through history multiple times and finding out...

Review: It was good. Sadly it was not as good as the last one. It is from J2s(abbreviated because spoiler) point of view and he just ended up being the whiny J from the first book whom I was not a fan of. I liked that J grew and learned. And I get that J2 has to too. But the whiny 13 yr old was never a favorite and I am just not as impressed as I could have...
